

## RELAXATION LOUNGERS

## BAYSIDE LOUNGER

#31011-XXS  
#31011-XXM

We developed the Bayside Lounge to be a comfortable and versatile seating option for resorts, spas, luxury homes, pools, salt rooms, wetrooms, and cabana-type applications.

The cushion can be removed easily, exposing the nylon trampoline mesh backing.

This surface offers excellent durability and breathability.

### STANDARD BASE OPTIONS

WHITE POWDER-COAT

### UPHOLSTRY OPTIONS

PEBBLE W/Standard Foam

WHITE W/Memory Foam

**Durable and Breathable Surface:** Beneath the cushion is a nylon trampoline mesh backing, which offers superior durability and breathability for long-lasting comfort

**Removable Cushion:** The loungers cushion can be easily removed for storage. If a replacement is needed it can be changed quickly.

**Versatile Application:** The Bayside Lounge is designed for various high-end environments, including resorts, spas, luxury homes, pools, salt rooms, wetrooms, and cabana-style spaces.
