Ease of use, multiple options and a sleek but durable design make the THERA-P line of electric treatment tables the choice of therapists everywhere. Seven top options allow therapists to choose the table that best meets their needs and that ensures patients' most comfortable positioning. The THERA-P electric treatment table is constructed of precision-cut flat and tube steel for durability and style. It also has a whisper-quiet lift system (with elevating foot pedal) and easy-to-operate caster system for better ergonomics.
