INFINITY GT™

MULTIPURPOSE TABLE

COUTURE - SUMPTUOUS - REVOLUTIONARY

A dual-pedestal table like no other, the Infinity GT™ is the industry's first spa treatment table to incorporate molded gel spring-back technology into its salon top mattress, enabling unsurpassed client comfort. The Infinity's hourglass shaped GT SpaMattress™ floats on two rounded pedestal columns. Underneath the hood is a whisper-quiet motor system controlled by wireless hand and foot remotes for easy client positioning and swift table height adjustments. The Infinity GT's compact frame doesn't compromise its ergonomic height range.

A broad array of laminate and upholstery options available

SpaMattress with GelTech™ spring-back layer for unsurpassed comfort

Wireless hand and foot controls for a clean workspace

Hourglass-shaped salon top enables unsurpassed client access
