

PRO LUXE SERIES

Offering all the comfort features of our most expensive tables. The favorite of high volume spas across the US, the table can be configured to offer all our high end options at a much lower price.

Now available in ADA compliant height or high height range.

(Flat top & Lift-Assist Backrest)

Flat Top

Lift Assist Backrest

Lift Assist Salon

Electric Salon

Storage Options

The Proluxe offers an optional storage shelf and hot towel cabi shelf that gives you the functionality of a cabinet model table.

SoVi Vibroacoustic System

Now standard, this control has two user programmable memory positions and the ability to change two settings at once with a single button. The simple interface makes positioning clients fast and the new electronics are quiet and smooth in operation. (optional)

Integrated Heated Top

Our heating system is imbedded in the foam, creating a more even heat, and has three settings. Designed originally to be used in car seats and hospital beds, the heating element automatically shuts off after 10 hours for safety and energy conservation. (optional)
