

**All-day comfort.
All-out strength.
All within reach.**

Tough enough for ironworkers, the FT-Iron™ brings durability and comfort to any trade. Get greater comfort, flexibility and longevity in one rugged harness.

Do you feel these annoyances with your harness?

- My leg straps chafe my thighs and cramp my movement
- The D-ring lets my SRL slide, causing me back pain
- My waist belt digs in, rubs and causes hot spots
- That strap across my rear end wears out too fast

**We hear you.
Get everything you need in a harness, minus the discomfort.**
