

Maximum splatter and burn resistance. All-day comfort. All within reach.

The Patent Pending FT-Weld™ premium Kevlar® full body harness provides all-day comfort so you can get your job done right.

Still complaining about your welding harness?

- My leg straps leave me chafed and uncomfortable
- My harness makes my back hot and sweaty
- I'm tired of adjusting the D-ring to keep it from sliding down and giving me backache
- My harness is exposed to splatters and burns

We hear you.

Get everything you need in a premium welding harness, minus the discomfort.
