

The 11' FT-X™ Web is a Class 1 SRL-P that provides an extended work zone and exceptional comfort due to its light weight design.

Do you have these common SRL Complaints?

- My bulky, heavy SRL is slowing me down
- Nuisance lockups are limiting my walking and working speed
- Why can't my SRL be more durable, reliable and comfortable?

**You asked for better.
The FT-X™ Web delivers.**
