

## Strength You Can Trust with Comfort You Can Feel

The **Tradesman Pro** harness is built for those who work hard at height. Designed for comfort and efficiency, it lets you focus on the job—not your gear. With a sleek all-black alloy finish, the **Tradesman Pro** delivers style and performance in one refined design.

### Key Features:

- Locking D-ring plate eliminates slippage, ensuring all-day stability and minimal need for adjustments.
- Dorsal attachment tunnel for fast, hassle-free, and optimally positioned connection for SRL-Ps.
- Heavy-duty waist belt distributes equipment loads evenly for superior support and comfort without folding under pressure.
- Quick-connect chest buckle with a visual indicator that confirms you’re securely connected.
