# THE RIGHT PAINT FOR THE RIGHT PRODUCT

We choose our superior siliconized polyester paint for our panels as it is recognized in the industry for its remarkable color and gloss retention as well as its superior chalk resistance.

All painted K-Rib brand roofing and siding panels are covered by our **40-year paint warranty** and Energy Star Rated.

## ► K-RIB INTERIOR LINER PANELS

Liner Panels are the interior walls of a metal building. They consist of either K-Rib profile in 3-ft.-wide panel coverage and are screwed to the framing. Liner Panels can be used for full- or partial-height liners. They protect the insulation of the building and the exterior walls, while enhancing the interior of the building by giving it a more finished, pre-engineered look. Designed for metal buildings, Liner Panels will outperform plywood or drywall, while being considerably more cost effective.

- Available in (.015-in.) thickness Bare or Painted Diamond Embossed Aluminum or 30 Gauge. Painted Galvanized Steel
- Both Frontier and Suburban profiles available
- 3-ft.-wide coverage
- Standard polyester 2-coat paint system
- Stock or custom lengths available
- For interior use only

## ► K-RIB PERFORATED INTERIOR LINER PANELS

Perforated K-Rib Liner Panels provide a more finished look to the interior of a metal building, while providing a significant reduction in the reflective noise level in the building. Acoustical K-Rib Liner Panels protect both the insulation of the building and the exterior walls.

- Available in (.015-in.) thickness Painted Galvanized Steel
- Both Frontier and Suburban profiles available
- 3-ft.-wide coverage
- Entire panel is perforated using IPA number 111 protocol
- Hole size is .041 diameter on 1/2" staggered centers with minimum margins parallel to length. Straight rows of holes will be parallel to the panel width. 19 holes per sq. in., resulting in 12% open area
- Standard polyester 2-coat paint system
- Stock or custom lengths available
- For interior use only

## ► DRIPSTOP CONDENSATION CONTROL

When climate conditions cause condensation to occur, DripStop absorbs and holds moisture in specifically designed pockets in the membrane. When climate conditions return to above dew point, the moisture is released back into the air in the form of humidity. Combining Klauer K-Rib Suburban Panel and DripStop creates the ultimate panel for all applications.

- FIGHTS CORROSION** Tests have proven it adds another layer of protection specifically from the corrosive elements in livestock confinement.
- DURABLE** Resistant to aging. Will not deteriorate, tear or rip. Very difficult to slice through. 20-year adhesion warranty.
- SAVES MONEY** No additional costs for installing insulation. DripStop is applied at the same time the panel is formed.
- SAVES TIME** Completely cuts out one step of the building process and up to half the time on the roof. K-Rib Suburban Panel with DripStop arrives at the jobsite already installed on the panel.
- REDUCES NOISE** Improves the effectiveness of acoustical insulation.
- UL APPROVED** UL 723 approved for flame resistance.

Klauer Painted Galvanized K-Rib metal roofing panels, metal building trim, roof edge, flashing, rain-carrying products and aluminum siding accessories with a color-coated finish when properly installed for the product's intended use will resist normal weathering conditions for a period of 40 years after installation, or 40 years and six months after date of shipment (whichever comes first).

**This warranty is subject to the following terms and conditions:**

The sole and exclusive remedy for any claims arising from a defective color-coated finish on said products shall be limited to refinishing or replacing the defective products, or at the election of Klauer Manufacturing Company, a refund of the purchase price on a depreciated basis. KLAUER MANUFACTURING COMPANY SHALL NOT BE LIABLE IN CONTRACT, INTORT, UNDER ANY WARRANTY, IN NEGLIGENCE OR OTHERWISE FOR ANY LOSSES, DAMAGES OR EXPENSES, WHETHER DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL, CAUSED BY OR RESULTING FROM THE USE OF ANY PRODUCT OR FOR ANY OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES. THE PRICE STATED FOR THE PRODUCT IS A CONSIDERATION IN LIMITING KLAUER MANUFACTURING COMPANY'S LIABILITY. The parties agree that the exclusion of consequential damages shall remain in full force and effect even if the remedies for breach of warranty fail of their essential purpose. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to a particular consumer.

The express warranty stated herein is the exclusive warranty applicable to the product. ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED. Some states do not allow the exclusion or limitation of implied warranties, so this limitation or exclusion may not apply to a particular consumer.

Claims under this warranty must be made in writing to Klauer Manufacturing Company within 40 days after discovery of the defect. Klauer Manufacturing Company shall have an additional 60 days to inspect material subject to claim before any further action shall be taken. No action shall be brought for any breach of this contract more than one year after the accrual of the cause of action. Claims are for said product(s) only. Labor charges or any other installation fees are not a part of this warranty, and said charges will not be honored.

Abnormal atmospheric conditions to which this warranty does not apply include, but are not limited to, hail, exposure to salt, corrosive or harmful chemicals in the air or atmosphere or other abnormal atmospheric conditions of a similar or dissimilar nature.

This warranty shall not be applicable to damage or defects caused by acts of God, falling objects, external forces, explosions, fire, riots, civil commotion, acts of war, excessive radiation, excessive salt atmospheres chemicals and foreign substances in the air or atmosphere.

Defects or damage to Klauer products with a color-coated finish caused by handling, shipping, storage, installation, moisture or other contaminants detrimental to the product prior to installation and storage or installation which allows contact with animals and/or animal waste are not covered by this warranty. Further, this warranty shall not extend to minor hairline cracking in the color-coated finish as well as non-uniform weathering or wear under non-uniform weathering or wear conditions.

This warranty is extended to Buyer as the original purchaser from Seller and is not transferable and non-assignable even if Seller's products are sold or otherwise transferred. No rights against Seller shall be created by transfer or assignment, nor shall any rights against Seller survive any transfer or assignment. No buyer may imply nor permit its customers, distributors, applicators or contractors to claim extension of warranty to any party other than original purchaser.

**PRICING** All prices are subject to change without notice. Prices effective at time of shipment will apply.

**CLAIMS** All claims for damage or shortage must be made *within 48 hours* from receipt of shipment and supported by transportation company freight bill with such endorsement made and signed by carrier. Our responsibility ceases upon receiving a receipted bill of lading for merchandise delivered in good condition to the transportation company or to the buyer. Examine all shipments carefully upon receipt and before signing the bill of lading or freight bill signed by carrier. Concealed loss of damage should be reported immediately to the carrier. Failure to do this deprives consignee of claim rights. All claims, including overcharge, should be filed by consignee, although we will assist to the best of our ability if the proper documents are submitted to us.

Products found to be defective in material or manufacturing will be replaced at our expense only after inspection. No labor or other expense claims will be honored.

Orders not filled correctly must be reported at once and corrections will be made at our expense.

**RETURNS** Returned shipments will not be accepted unless written permission has been given by the company. Material returned for credit is subject to a handling charge of 20%, less all freight charges. No credit will be allowed on returned material not in first-class condition. No return will be allowed on special manufactured products. Date of original purchase and invoice number must be supplied on all returned material.

**STORING PRODUCTS** If moisture is permitted on stored products, white rust can quickly develop. White rust will attack the surface. To prevent that from happening, observe the following:

1. Store materials inside.
2. Make provisions for adequate airflow in storage area.
3. During periods of extreme temperature change, provide heat to prevent concealed condensation.
4. Storage beyond 12 months is not recommended and may result in damage to painted material.
5. Forming of painted material in temperatures of less than 60° may produce unsatisfactory results.
6. Damage to the painted surface may result if formed sheets are stored at the jobsite and exposed to excessive moisture.
7. No claims will be honored for material that has been exposed to the elements during storage.

► DOOR-TRACK COVER (ROUND, SQUARE AND OTHER)

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
40060-	#248 Door-Track Cover (round) – 10' 1" (for 2" Cannonball or Combo Track)	20 pcs.	6.53 lb.
40080-	#A248 Door-Track Cover (round) – 10' 1" (for 1" Cannonball or Combo Track)	20 pcs.	6.13 lb.
40020-	#2499 Door-Track Cover (square) – 10' (for National Track)	10 pcs.	4.61 lb.
40030-	#249 Door-Track Cover (square) – 10' (for National Track)	10 pcs.	5.40 lb.
82110-	#2085 Door-Track Cover (other) – 10' (for National Track)	10 pcs.	5.48 lb.
82130-	#2086 Door-Track Cover (other) – 10' (for National Track)	10 pcs.	6.24 lb.

► “K” RIBBED RAKE AND CORNER

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
40300-	#221 w/ Hem 12" Rake and Corner – 8'	10 pcs.	5.36 lb.
40310-	#221 w/ Hem 12" Rake and Corner – 10'	10 pcs.	6.70 lb.
40330-	#221 w/ Hem 12" Rake and Corner – 12'	10 pcs.	8.04 lb.
40350-	#221 w/ Hem 12" Rake and Corner – 14'	10 pcs.	9.38 lb.
40370-	#221 w/ Hem 12" Rake and Corner – 16'	10 pcs.	10.72 lb.
40380-	#221 w/ Hem 12" Rake and Corner – 18'	10 pcs.	12.06 lb.

► RAKE AND CORNER WITH HEMMED EDGES

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
41200-	#2223 w/ Hem 8" Rake and Corner – 10'	10 pcs.	4.58 lb.
41210-	#2223 w/ Hem 8" Rake and Corner – 12'	10 pcs.	5.50 lb.
41220-	#2223 w/ Hem 8" Rake and Corner – 14'	10 pcs.	6.41 lb.
41230-	#2223 w/ Hem 8" Rake and Corner – 16'	10 pcs.	7.20 lb.

► RAKE TRIM WITH HEMMED EDGES

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
40600-	#223 w/ Hem 14" Rake and Corner – 8'	10 pcs.	6.98 lb.
40610-	#223 w/ Hem 14" Rake and Corner – 10'	10 pcs.	8.72 lb.
40630-	#223 w/ Hem 14" Rake and Corner – 12'	10 pcs.	9.92 lb.
40650-	#223 w/ Hem 14" Rake and Corner – 14'	10 pcs.	12.21 lb.
40660-	#223 w/ Hem 14" Rake and Corner – 16'	10 pcs.	13.95 lb.
48150-	K-Rib Rake Trim – 10'	10 pcs.	4.51 lb.

► INSIDE CORNER TRIM

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
40700-	#225 Inside Corner Trim – 10'	10 pcs.	6.60 lb.
40710-	#225 Inside Corner Trim – 12'	10 pcs.	7.92 lb.
40720-	#225 Inside Corner Trim – 14'	10 pcs.	9.24 lb.

► INSIDE CORNER TRIM WITH HEMMED EDGES

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
40800-	#225 w/ Hem Inside Corner Trim – 10'	10 pcs.	6.70 lb.
40810-	#225 w/ Hem Inside Corner Trim – 12'	10 pcs.	8.04 lb.
40820-	#225 w/ Hem Inside Corner Trim – 14'	10 pcs.	9.38 lb.

► CORRUGATED RIDGE ROLL

Available in Galvanized (GV10).

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
34000-GV10	1-1/4" Corrugated Ridge Roll 10' – 10" Girth	10 pcs.	5.50 lb.
34010-GV10	1-1/4" Corrugated Ridge Roll 10' Econ (L-Ga.) – 10" Girth	10 pcs.	4.67 lb.
34040-GV10	2-1/2" Corrugated Ridge Roll 10' – 10" Girth	10 pcs.	5.50 lb.
34050-GV10	2-1/2" Corrugated Ridge Roll 10' Econ (L-Ga.) – 10" Girth	10 pcs.	4.67 lb.

► RIDGE CAP WITH HEMMED EDGES

Available in Galvanized (GV10) or Painted in all K-Rib and select colors.

DIMENSIONS

	A
#206	6-7/8"
#2066	9-7/8"

ITEM NUMBER	PRODUCT DESCRIPTION	PACKAGING PER BDL.	WEIGHT PER PIECE
