

Airgo

Comfortable, Durable, and Waterproof Protection

70% lighter than waterproof PVC and rubber boots.

Ultra Lightweight EVA Low Cut Boot Is Built For Comfort And Durability

These low cut boots are super comfortable and easy to step in to, but tough enough for every day farm and garden use. Tiny, self-insulating air bubbles trapped inside the EVA will keep your feet warmer in the cold and cooler in the heat. Lightweight, yet durable, these boots are 100% waterproof and have cleated outsoles for traction and slip resistance in wet and muddy conditions.

- 70% Lighter than other waterproof rubber and PVC boots.
- Seamless construction for 100% waterproof protection.
- 8" Height is ideal for stepping into and getting to work.
- Flexible upper material stays supple in cold temperatures to make walking easier.
- Cleated outsole for good traction.
- Tiny air bubbles trapped within the material keep feet warmer in the cold and cooler in the heat.
- Heel kick for hands-free removal.
- Removable, polyurethane, contoured insole completes the comfort experience.

AIRGO ULTRA LIGHTWEIGHT EVA LOW CUT BOOT
