Plasson, world-leading manufacturer of Poultry Systems, is setting the industry standard for more than 5 decades.

The full range of Plasson's top quality products offers professional solutions for every need:

- **Customized for All Types of Poultry** - from hatching to maturity of Broilers, Breeders, Pullets, Layers, Turkeys and Ducks.
- **Suited to Any Kind of Grower** - whether you are a small-business family farm or a leading integrator.
- **Superbly Climate-Responsive** - the watering systems are customized to meet the demands of any climate conditions, with special expertise in excessively hot climates.
- **Superior Standards of Equipment** - provide fail-safe, low-maintenance and long-term reliable performance that is field-proven worldwide.
- **Unsurpassed Customer Service** - is ensured by Plasson's global network of authorized distributors and warehouses providing expert installation, quick response and rapid delivery of original spare parts to any customer, anywhere in the world.

The bottom line for you, the grower, is:

- Heavier, healthier birds
- Improved feed conversions
- Reduced mortality
- Fewer condemnations
- Drier floors
- Significant labor savings ... and overall higher returns
