Specifications:

Site Location: Extra deep fixture is ideal for high traffic areas.

Dispensing: Universal towel dispenser will accept all standard 8" wide roll towels. Controlled delivery with easy push action lever, takes up to 4" diameter reserve roll to eliminate paper towel waste.

Materials: Stainless steel (safety guarded) saw tooth cutting bar.

Heavy duty 18 gauge stainless steel door (304, # 4 brushed finish). Secured with tumbler keyed lock. Door is hinged with full length stainless steel piano hinge. Recessed body is corrosion resistant galvanized steel (20 ga.).

Installation: Provide 24-5/8" (62.5) high x 12-1/2" (31.7) wide x 8-1/2" (21.5) deep wall opening. Drill mounting holes as required. For unrestricted access, height of top of unit to floor must not exceed 63" (160), this results in the push bar lever being 47" (119.3 cm) or less from floor.

Description and specifications applicable on date issued. Frost reserves the right to make improvements or changes without notice.
