

Medium/Low traffic HAND DRYERS

This range includes 2 Series designed for areas with low to medium traffic, such as medium sized restaurants, coffee shops, offices, warehouses or any quiet facility.

The main characteristics of these models are:

- A better fit for small spaces.
- Both come with brush-less motors, with no need for brush replacement.
- Low noise level, so both Series are very quiet.
- Only available in automatic versions.
- Offers optimum consumption/performance ratio.
- Very affordable pricing with durable steel or ABS plastic covers.

optima[®]

- Optimum performance/consumption ratio
- Stainless steel cover
- Sensor operated
- Maintenance Free
- Super Quiet (only 60 dB) and ergonomic
- Adjustable distance (6" – 10") detection
- Sweet balance between performance and price

To download technical data sheets, 3 CSI Specs, CADs, BIM and Green Info, please go to www.saniflowcorp.com or visit your preferred specification website:

MEDIUM TRAFFIC

**MODERN DESIGN – MEDIUM PRICE
BRACKET – PERFECT BALANCE – QUIET**

Incorporates a stainless steel casing with a modern design in 3 different finishes. A premium machine that bridges the gap between the high performance and the low budget units. A dryer that sits between the high and low traffic machines.

Estimated drying time	25-35 seconds	Total Power	1.640 W
Voltage	100-120 V	Heating Element	1.500 W
Frequency	50/60 Hz	Protection level	IP21
Power Consumption	13.6 Amps (120 V)	Nominal airflow	194 CFM
Electrical insulation	Class I (ground required)	Effective airflow	166 CFM
Motor Power	250 W	Air temp (at 4" distance/70°F)	125.6 °F (52 °C)
rpm	3.300 rpm	Dimensions	10 1/4" x 11-7/8" x 5-29/32"
Air speed	4.181 LFM	Weight	10.6 Lbs (4.80 Kg)
		Noise level	60 dB

SANIFLOW Corp.

The company behind the technology

A Track Record of Excellence

Saniflow Hand Dryer Corp. has established itself as one of North America's leading brands of eco-friendly hand-drying solutions. We offer **the largest selection of fast, stylish, and energy-efficient products**, designed to fit every type of washroom facility.

Our company works with design professionals, contractors, owners, and facility managers to ensure that every project gets the right dryers for its needs. **Our products are in use in highly recognizable office buildings, entertainment centers, shopping facilities, schools and universities throughout North America.**

Saniflow hand dryers benefit from **40 years of manufacturing experience** and expertise by our parent company, **Mediclinics S.A., the largest exporter of hand dryers in the world** and a leader in the European and global markets. Dryers produced in our manufacturing facility in Barcelona, Spain, **are used in over 120 countries worldwide**. Quality is assured through every step of the manufacturing process, and each dryer is tested and approved before shipping.

Commitment to Our Customers

We stand behind our products, and consider every sale as the beginning of a customer service relationship. Under our **Quick Ship Program**, applicable to all distribution channels, all products listed in our catalog ship within 36 hours (under normal circumstances) on purchase orders from distributors that have established credit terms with Saniflow. Our team of customer satisfaction professionals is available to answer any product questions and **offer full technical support**.

Responsible Manufacturing

We are equally committed to sustainability in operations. We use a **combination of new and recycled materials**, many of them also recyclable, and have instituted advanced waste stream separation in manufacturing.
