BOBRICK

BUILDING VALUE SINCE 1906

DESIGN

SureFlo® Tank-In-A-Box Soap System serves up to five dispensers.

Now dispensing green.
Saving green, too.

SureFlo System reduces
custodial time by 80%.

SureFlo System now dispenses Bobrick's certified green lotion soap with EcoLogo.

HYGIENIC

RICH, BIOBASED GREEN CERTIFIED HAND WASHING SOAP

- EcoLogo is the most respected green soap, multi-attribute standard/certification
- Effective, non-toxic, biodegradable, environmentally responsible and safe

Being green and seeing green.

SUSTAINABLE

30% POST-CONSUMER WASTE REDUCTION

- Bulk soap jug packaging, on average, creates 10 lbs of post-consumer waste
- Tank-In-A-Box packaging, on average, creates 7 lbs of post consumer waste
- One Tank-In-A-Box of soap equals 12 jugs of bulk soap

LABOR SAVINGS

CUSTODIAL TIME REDUCED BY 80%

- Convenient, front-access cabinet for one-minute changeovers
- Changeover of five undercounter cartridges takes 10 minutes
- Low-level soap indicator reduces out-of-soap condition

DESIGN

CONNECTS TO EXISTING/NEW B-822 DISPENSERS

- 13,000 hand wash Tank-In-A-Box serves up to five dispensers
- Cabinet crafted of heavy-gauge type 304, satin-finish stainless steel
- Built-in 2,000 hand wash reservoir eliminates soap waste
- Lifetime warranty with exclusive use of Bobrick SureFlo soap
