

4 PIECE ADJUSTABLE TIRE DEFLATOR KIT

P/N # 97-9903

Rev. 01 - January 2024

WARNING: Always wear eye protection when using the deflators while working around pressurized vessels/tires or attempting tire repairs

DO NOT use on tires with any internal foreign matter such as balance sand, liquid tire repair/sealant, etc.

DO NOT drive off-road with tire deflators installed on the vehicle.

Always remember to properly re-inflate your vehicle tires to the Manufacturer's recommended tire pressure before on road driving.

USAGE INSTRUCTIONS:

1. Rotate locking ring counter-clockwise.
2. Rotate the valve stem adaptor to the desired PSI (10-30 PSI).
3. Align the desired PSI to the top of the valve stem adaptor base.
4. Rotate locking ring clockwise to secure setting for future use.
5. Remove tire valve stem cap.
6. Thread valve stem adaptor clockwise onto the tire valve stem.
7. Pull piston out to start deflation.
8. Deflators will automatically stop at desired preset PSI.
9. Remove valve stem deflators by rotating the base counterclockwise and re-install the previously removed valve stem cap.

LIMITED WARRANTIES

Up Down Air products are covered under the following limited warranties only. Note that the duration of the limited warranty differs according to the material and finish of the product purchased. Subject to the duration and conditions of the limited warranty stated below, **Up Down Air** warrants to the original retail purchaser that its products are free from defects in material and workmanship. All other warranties and representations express or implied, are hereby disclaimed, including fitness for merchantability and buyer's intended use or purpose. All parts are sold "AS IS" except for the limited warranties granted herein. Buyer assumes all risks as to the selection, suitability and performance of all goods and products selected. This limited warranty does not cover damage or impairment in any part due to misuse, improper installation, accident or contact with on-road or off-road hazards, product modification, improper or inadequate cleaning and/or maintenance. **Up Down Air** is not responsible for items damaged during shipping. This warranty is not transferable from the original buyer. For the original Buyer to be eligible for the limited warranty coverage, the Buyer must provide proof of purchase. **Up Down Air** strongly recommends returning the warranty registration card. Customer's remedy hereunder shall be limited only to repair or replacement (at **Up Down Air's** option) of any defective part(s) returned to **Up Down Air** at customer's expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at **Up Down Air's** sole discretion.

To assure product quality, **Up Down Air** reserves the right to change product design, material, specification and finishes without prior notice to customers. This limited warranty gives you specific legal rights and you may also have other rights, which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply as to you. Also, some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. **Up Down Air** reserves the right to discontinue product lines and substitute products, or provide other remedies than those listed in this limited warranty for those discontinued products.

Warning Rollover and other types of vehicle accidents may result in serious injury or death to you, your passengers and others sharing the road. **Up Down Air** accessories are decorative and are not intended to reduce or avoid injury or damage in the event of an accident. The weight and location of **Up Down Air** accessories may affect your vehicles' handling, stability and performance, creating an increased risk of accident or rollover. Before installing any accessory, check state laws and assure that the accessory will not obscure any lights or interfere with proper operation on your vehicle's safety equipment. Consult your owner's manual and the **Up Down Air** instructions, or additional safety information. **Up Down Air** products, nor the warnings contained herein, are not a substitute for your safe driving. Don't drink and drive, always use seat belts and don't drive faster than conditions permit.
