## HD AWNING ENCLOSURE

Introducing the HD Nomadic Awning Room Enclosure by Overland Vehicle Systems, the ultimate companion for your outdoor adventures. Offered for our 6.5' and 8' awnings. Turn the shady area to fully enclosed room. Crafted with premium materials and packed with features, this versatile enclosure is designed to elevate your camping experience. Designed for convenience, the enclosure features a waterproof perimeter flooring with removable floor panels for easy cleaning. Internal storage options keep your gear organized, while a rear access panel allows for hassle-free entry and exit. The enclosure zips to the awning ceiling, creating a fully enclosed space for added privacy and protection.
