CAR SIDE SHOWER ROOM

The HD Nomadic Car-Side Shower Room is an excellent choice for those engaged in overland travel, camping, or for individuals using campers and trailers. It offers privacy for showering, using the toilet, or changing while on the trail. The Shower Room is lightweight, convenient, and simple to assemble. Easily attachable to your vehicle, it functions like a traditional awning. If you're seeking a hassle-free way to shower or use the toilet during camping or travel, the Heavy Duty Car-Side Shower Room by Overland Vehicle Systems is the ideal solution. This lightweight and easily set up shower room attaches to your vehicle just like a conventional awning, ensuring privacy when you need it the most.
