PRODUCT

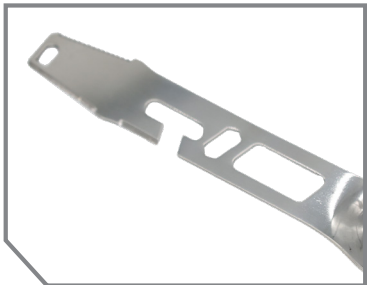

CAMPING SPORK WITH FLINT AND SLEEVE

Simplify mealtime wherever you roam with a compact, durable utensil built for life on the trail. Crafted for convenience and strength, it's perfect for camping, overlanding, or any adventure where space and reliability matter.

VERSATILITY, CONVENIENCE,
AND ECO-FRENDLINESS

MULTI-FUNCTIONAL
USAGE

Features + Benefits

- Lightweight Aluminum Construction: Strong, rust-resistant, and built to withstand rugged outdoor use
- All-in-One Design: Combines a fork, spoon, butter knife edge, and bottle opener for total mealtime convenience
- Compact Storage Sleeve: Keeps your utensil clean, protected, and easy to pack in any gear bag
- Integrated Flint Rod: Ensures you can start a fire anytime
- Ergonomic Shape: Comfortable to hold and easy to use whether you're cooking, eating, or prepping food
- Adventure-Ready Durability: Ideal for camping, overlanding, backpacking, or any off-grid adventure
