TIRE REPAIR KIT - 53 PC

The Up Down Air Tire Repair Kit is the perfect solution for repairing flat tires on cars, trucks, Jeeps, motorcycles, ATVs, lawnmowers, tractors, trailers, and RVs. The easy-to-follow instructions mean anyone can plug their flat tire in minutes and get back on their way. Built with the strongest materials and contained in a sturdy, portable case, this is the last kit you will ever have to buy. This tire plug and patch kit comes with everything you need to fix a hole in your tire quickly and easily. The storage case keeps all of your tools organized so that you can be prepared for any roadside emergency.
