NEW PRODUCT ANNOUNCEMENT

XD EVEREST ANNEX

Welcome to the XD Everest Annex Room tailored to the XD Everest Cantilever Roof Top Tent. Expand your camping footprint that gives you a spacious enclosed area to enjoy. With the black out under coating, the annex room blocks light and heat intrusion, allowing you to cool down during the day, or sleep while the Sun is out. The Everest Annex Room can be used as a privacy changing room in addition to being used as a rest area. The included adjustable poles keep the annex room taut and allows a high roof for your campsite.
