

High Capacity & Travel Friendly

DUO-C150P

IDX introduces the next generation in the popular DUO-C Series, the **DUO-CP Series**. This advanced version offers power taps like those found in the DUO Series for powering accessories. Newly added non-proprietary USB-C PD port for two-way power delivery and charging when used with the new **UC-PD1** compact charger, and of course via D-Tap advanced with the **VL-DT1**. The UC-PD1 can be used with other portable devices. An antiviral and antimicrobial body for hygienic peace of mind.

Product Features

- 145Wh Capacity
- Three ways to charge the DUO-CP Series
- 1x D-TAP / 1x D-TAP Advanced
- 60W USB-C PD to be mated with UC-PD1 compact pocket travel charger
- Communication with camera via IB or SB Modes
- V-Torch light for easy attachment to the plate
- 5 LED status display for remaining capacity
- Antiviral and antimicrobial body for hygienic peace of mind
