

VENTURE PANT

BS423M MENS
BS423L WOMENS

Prioritise comfort in our 4-way stretch trousers. Easy and functional, these wrinkle-resistant pants are built for being on-the-go. New to Elastomultiester? It's a combination of 2 fibres with elastic properties, giving this style incredible stretch and recovery. It moves with you for a perfect fit - everytime.

FABRIC

53% Elastomultiester, 47% Recycled Polyester
• 230 GSM • UPF 50+

FEATURES

Tapered, 4-way stretch streamline fit • All-day comfort and freedom of movement • Functional shank button and fly with metal zip • Front slant pockets • Back welt pockets

This garment is made from 47% recycled polyester resulting in the equivalent of 13 plastic bottles being diverted from landfill for the Mens pant and 12 bottles diverted for the Womens pant.
