1x Removable Power Cord
1x Heating Coil Cord
1x Quartz / Titanium Hybrid Nail
1x Titanium Carb Cap

POWER ON/OFF

Press the power switch on the back of the control box to turn the unit ON/OFF.

TEMPERATURE SELECTION

Use the up and down arrows to set the desired temperature. Unit has a temp range of 0°F to 1200°F. Hold the button down to increase number changing speed. The numbers will flash ten times indicating desired temperature is set. Place desired concentrate onto the unit and inhale gently, cover the nail with provided carb cap as needed.

USAGE

Unscrew your chosen bucket from the hybrid nail. Insert into the Axial coil and reassemble the hybrid nail. Plug the coiled heater into the control box. Plug power cord into the control box and connect to a power outlet. Carefully fit and insert nail into chosen glass concentrate rig. Make sure all water and nail assemblies are well-matched and securely placed for use.

WARNINGS

Use with caution. Must be 21 years of age or older to operate. Coil and nail will get extremely hot during operation. Allow to completely cool before touching. Do not leave unattended while powered on. Do not attempt to change the shape of the already formed coil in any way. Do not leave the unit on for longer than 5 continuous hours. Do not let any liquids, waxes or gels touch coil. Do not use a temperature setting higher than 1200°F. Do not customize or modify unit internally or externally. Do not expose to extreme temperatures or direct sunlight. Do not drop the device or accessories. Do not drop or submerge in any liquid. Do not modify the electronics in any way. This device is intended for adults only. Do not sell or provide to minors. Keep all parts, concentrates, herbs, and liquids away from children and pets. This is not a medical device and is not intended to diagnose, treat, mitigate, cure, or prevent any ailment, disease, or other conditions. Consult a physician before use, especially if you suffer from heart disease or any other medical condition, or if you are pregnant or breastfeeding. Failure to follow any of these instructions could result in product damage, property damage, personal injury, and may void warranty. Visit PulsarShop.com for warranty information.
