CHARGING
Initially charge the ProShift for 2 hours. The battery will stop charging when the battery icon is full. When the battery level is low, charge the battery with included USB-C cable to a compatible wall charger. Do not use Pulsar ProShift while charging.

LOADING THE CHAMBER
Remove mouthpiece from the device. Loosely load choice dry herb into heating chamber. Do not overfill. When loading or removing mouthpiece components, make sure the mouthpiece is open. Place mouthpiece components and device at 25° angle, it will magnetically attach to the device.

POWER ON/OFF
Rapidly press the power button 5 times. Activation of power On/Off will be confirmed by haptic feedback.

TEMPERATURE SELECTION
Press and hold power button and "-" button simultaneously for 2 seconds to change from Fahrenheit to Celsius degrees and vice versa. Session timer setting: hold power button for 2 seconds until selection is positioned under SET of timer, press control button +/- to adjust working time from 180 to 420 seconds. When the selected temperature is reached, device will notify you with haptic feedback. Display indicates temperature information, battery status, duration timer.

CLEANING
Pull out the onboard stir stick. Remove mouthpiece from the device. Remove material from chamber. Use the cleaning brush to remove the remaining residue from the chamber. Remove and disassemble mouthpiece. Clean the zirconia mouthpiece and airpath with a cotton swab and isopropyl alcohol. **Note:** these pieces can also be soaked in alcohol. Clean the rest of the mouthpiece with a mild detergent and cloth. Clean the chamber with alcohol and a cotton swab. Do not put alcohol directly into the chamber. Once all the pieces have air dried the mouthpiece can be reassembled.

WARNINGS
Do not expose to extreme temperatures or direct sunlight. Do not drop the device or accessories. Do not drop or submerge in any liquid. Do not modify the electronics in any way. This device is intended for adults only. Do not sell or provide to minors. Keep all parts, concentrates, herbs, and liquids away from children and pets. This is not a medical device and is not intended to diagnose, treat, mitigate, cure, or prevent any ailment, disease, or other conditions. Consult a physician before use, especially if you suffer from heart disease or any other medical condition, or if you are pregnant or breastfeeding. Failure to follow any of these instructions could result in product damage, property damage, personal injury, and may void warranty. Visit PulsarShop.com for warranty information.
