Hall Pass | INSTRUCTION MANUAL

SPECS
Size: 0.89" x 4.98" (22.5 mm x 126.5 mm)
Max Cart Size: 14 x 65 mm
Battery Capacity: 650 mAh
Voltage: 2.4 / 2.8 / 3.4 / 3.8 V (1.8 V Pre-heat)
Charging: USB-C
Resistance: ≥0.8 – 1.2 Ω

KIT INCLUDES
1x Pulsar 510 Hall Pass Battery
1x Removable Mouthpiece Cap

CHARGING
Ensure that the device is powered off and the cartridge is removed prior to charging. Charging will be indicated by the power button lighting up Red. When the device is fully charged, the Red light will turn Green. To prolong the life of your Hall Pass battery, don't leave it plugged in for more than 2 hours at a time.

POWER ON/OFF
Before using the Hall Pass, fully charge the device. To power the device on and off, quickly press the button 5 times.

ATTACHING 510 CARTRIDGE
Remove the mouthpiece cap and firmly screw in the 510-threaded cartridge of your choice. Replace the mouthpiece cap and push down to secure.

POWER INDICATOR
While installing a cartridge, the button light will indicate its current battery life. When the battery is low, the light will flash Red 10 times.

>75%: Green light
25–75%: Blue light
<25%: Red light

PRE-HEATING
Press the button on the bottom 2 times to activate the 8-second pre-heat function. The pre-heat function is set at 1.8 V and will be indicated by the button lighting up and cycling through the colors. Pre-heat function can be stopped anytime by pressing the power button once or inhaling from the cartridge.

CHANGE VOLTAGE SETTINGS
With the device turned on, press the power button once to change the voltage setting. The voltage settings are indicated by the button light color.

1.8 V - Yellow
2.4 V - Purple
2.8 V - Green
3.4 V - Blue
3.8 V - Red

USAGE
Inhale slowly to vape. The current voltage light will illuminate during use.
Note: there is a 10-second vape timer; if you pull on the device consecutively for 10 seconds, the battery enters standby mode and the button will flash Red 4 times. Once the Red light stops flashing, you may start another vaping session.

CLEANING

Remove the mouthpiece cap and the 510-threaded cartridge. Use a cotton swab and 91% isopropyl alcohol to clean any residue from the 510 connection. Using a circular motion, clean the inside of the mouthpiece cap with an alcohol swab. Allow all parts to fully air dry before reassembly.

WARNINGS

Do not expose to extreme temperatures or direct sunlight. Do not drop the device or accessories. Do not drop or submerge in any liquid. Do not modify the electronics in any way. This device is intended for adults only. Do not sell or provide to minors. Keep all parts, concentrates, herbs, and liquids away from children and pets. This is not a medical device and is not intended to diagnose, treat, mitigate, cure, or prevent any ailment, disease, or other conditions. Consult a physician before use, especially if you suffer from heart disease or any other medical condition, or if you are pregnant or breastfeeding. Failure to follow any of these instructions could result in product damage, property damage, personal injury, and may void warranty. Visit PulsarShop.com for warranty information.
