

# Nexa OT-17TB

## POS Touch Screen Monitor

### Overview

The new OT-17TB 17" Touch monitor from Nexa is the superior solution for your POS!

It is designed for Point Of Sale applications, and is packed with features to back that up. Features such as a heavy weighted base to make it steady, a power supply hidden in the base to reduce counter clutter, a touch panel designed to withstand 35 million touches, and optionally integrated magnetic card reader or customer display.

N.B. Picture shows integrated magnetic stripe reader, which is an optional feature.
