

# PLANTERS

With three options in varying sizes, these planters made of Glass Fiber Reinforced Concrete (GFCR), they work well on terraces, decks or balconies and are an easy way to dress up any restaurant or residential building while giving plants an appealing home.

## ELEMENTS COLLECTION

With the Elements collection, you can brilliantly decorate your outdoor space. From eye-catching planters that let you beautifully design the entrance of your home to firepits that set the mood effortlessly, this collection is the perfect balance of style and function.
