Soy-Based Stain

Semi-Transparent Exterior Color Guide

Advanced Bio-Based Technology

- Penetrating & Non Film Forming
- Rejuvenates, Preserves & Protects
- Long Lasting UV Protection
- No Stripping For Recoats
- Green Building Compliant
- Virtually Odorless

Semi-Transparent Exterior Wood Stains

All colors shown approximate actual stain colors as accurately as possible. Colors will be influenced by lighting, texture, grain porosity, species of wood and when refinishing previously stained surfaces. Therefore a trial area is suggested before proceeding with entire job. BEFORE STAINING... always test a sample on the natural wood for color.
