Product Overview

This Poly 41" emergency crash cart organizes supplies in 6 drawers. The breakaway seal lock secures all drawers together and provides visible tamper evidence. Antimicrobial polymer construction and removable drawer modules support routine cleaning and restocking. The configuration includes four 3" drawers, one 6" drawer, and one 9" drawer. Red sides and drawer fronts contrast with the light gray frame.

This model includes cardiac board, adjustable IV pole, defibrillator shelf, three side rails, oxygen tank holder, and hazard bin holder. Key Features: Antimicrobial Polymer Construction: Durable construction designed for frequent cleaning in clinical environments. 6-Drawer Configuration: Includes four 3" drawers, one 6" drawer, and one 9" drawer. Breakaway Seal Lock: The breakaway seal lock secures all drawers together and provides visible tamper evidence.

Included Accessories: cardiac board, adjustable IV pole, defibrillator shelf, three side rails, oxygen tank holder, and hazard bin holder. Removable Drawer Modules: Modules can be removed for cleaning and restocking. Five-Inch Casters: Support mobility, with two parking locks for stationary positioning. Fully Assembled: Arrives assembled for stocking before use. Overall Dimensions: 33" W x 23" D x 41" H.
