Assembly	Ships assembled
Product Weight	81 lbs

Product Overview

This Poly 36" emergency crash cart organizes supplies in 4 drawers. The pull-and-break external seal lock secures all drawers together and provides visible tamper evidence. Antimicrobial polymer construction and removable drawer modules support routine cleaning and restocking. The configuration includes two 3" drawers, one 6" drawer, and one 9" drawer. Red sides and drawer fronts contrast with the light gray frame.

Accessory packages are available separately to add equipment holders, drawer dividers, and other storage features. Key Features: Antimicrobial Polymer Construction: Durable construction designed for frequent cleaning in clinical environments. 4-Drawer Configuration: Includes two 3" drawers, one 6" drawer, and one 9" drawer. Pull-and-Break External Seal Lock: The pull-and-break external seal lock secures all drawers together and provides visible tamper evidence.

Optional Accessory Packages: Available separately to configure equipment and supply storage. Removable Drawer Modules: Modules can be removed for cleaning and restocking. Five-Inch Casters: Support mobility, with two parking locks for stationary positioning. Fully Assembled: Arrives assembled for stocking before use. Overall Dimensions: 33" W x 23" D x 36" H.
