

Report Issued To: Nootropics Depot | 8380 S. Kyrene Rd., Suite 110, Tempe, AZ 85284

| Product Information |                                                                                                            |                       |               |
|---------------------|------------------------------------------------------------------------------------------------------------|-----------------------|---------------|
| Product Name:       | Nicotinamide Mononucleotide (NMN) Enteric Coated Tablets 125mg                                             | CoA #:                | ND-25-1876    |
| Product Size:       | 30 count                                                                                                   | Lot Number:           | NMNCS1112825  |
| Production Date:    | 11/28/2025                                                                                                 | Tablet Batch #:       | NMNCSLL0624ET |
| Report Date:        | 11/28/2025                                                                                                 | Raw Material Batch #: | NMN0160324    |
| Best By Date:       | 11/2028                                                                                                    | RMspec #:             | 201_v3        |
| Appearance:         | White convex tablet                                                                                        | Tablet Size:          | 8mm           |
| Other Ingredients:  | Microcrystalline 102, Stearic Acid, Croscarmellose Sodium, Silicon Dioxide Sipernat 22, Magnesium Stearate |                       |               |

## Organoleptic Testing Results:

| Test  | Specification    | Result   | Pass/Fail |
|-------|------------------|----------|-----------|
| Color | Org. Tube # 1201 | Conforms | Pass      |
| Smell | Org. Tube # 1201 | Conforms | Pass      |

## Physical Testing Results:

| Test             | Specification     | Result       | Pass/Fail |
|------------------|-------------------|--------------|-----------|
| Tablet Mass Test | USP <2091> Test 1 | 259mg/tablet | Pass      |

## Analytical Testing Results:

| Test                                    | Method                                                     | Methodology      | Specification                   | Result                                                                   | Pass/Fail |
