

INTRODUCING OLAY SUPER CREAM

Today, people are overwhelmed by endless skincare choices, trends and routines. Only OLAY is here to simplify your daily routine with the Super Series collection—designed to deliver multitasking benefits in each product.

Meet the newest addition to the Super Series: OLAY Super Cream with Broad Spectrum SPF 30. This 5-in-1 powerhouse combines active ingredients into one lightweight formula to give you resilient, younger-looking skin.

Developed with all skin tones in mind, Super Cream instantly absorbs to deliver a barely-there feel and sheer UVA/UVB protection with no white cast. Perfect as the final step in your skincare routine or as a primer under makeup.

Only OLAY

PROVEN SCIENCE  TRUSTED RESULTS

Backed by clinical studies, formulation experts, dermatologists and 70 years of innovation, only OLAY has created a breakthrough daily moisturizer that boosts skin's cells to restore resilience and protect against future damage.

In a 12-week consumer study of Super Cream:

- **98%** agreed it leaves skin feeling smooth
- **94%** agreed it provided long-lasting hydration
- **82%** agreed it improved the look of their skin's texture
- **80%** agreed it visibly reduced fine lines
