Protect yourself from liability, get the Big John Toilet Support

The Big John Toilet Supports mount underneath the toilet bowl working in conjunction with the existing wall carrier to redistribute the weight, increasing the weight capacity from 350 lbs to over 1000 lbs.

- Simple to Install.
- Discreetly mounts under most wall mounted toilets, providing additional vertical support.
- Maintains the cleaning ability of a wall mounted fixture.
- Specially engineered leg base can be raised up for cleaning access.
- Leg made of High Impact ABS, with the Carriage and Foot made of a chemical and stain resistant flexible PVC that forms to the contour of the toilet.
- Meets surgical review center of excellence requirements.

**Perfect for Hospitals, Nursing
Homes, Government Facilities,
Stadiums, Airports, Theaters,
Office Buildings and virtually
every wall mounted toilet.**

The Short Swivel Support is a great
alternative when the Regular Support
doesn't fit.

Rated over 1000 lbs.

Big John Toilet
Supports are made
100% in the U.S.A.
using only the highest
quality materials.
