

Blue Monster Abrasives

2" Width – 33% wider than traditional plumbers' rolls.

Blue Monster premium open mesh and Ultra-Flex® abrasive cloth are revolutionary, high-performance abrasives that are tough! Blue Monster outlasts all others in the most demanding conditions, wet or dry. It's completely waterproof and ideal for deburring and cleaning tubing, fittings and parts. Blue Monster works on copper, brass and other metals, as well as all types of plastic. Plus, Blue Monster's wide design provides more surface-to-surface coverage making it easier and faster to prep large-diameter tube and fittings.

- 21 x 21 Mesh – Larger holes than other open mesh prevents "loading" and allows contractors to rinse the mesh clean.

- Premium blended 165 grit white Aluminum Oxide cuts and scores surfaces faster for more effective cleaning and deburring.
