

Aluminum Oxide "Yellow Stuff" - 120 Grit

Cat. #	Description	Grit Size	Std. Pkg.	Wgt/Pkg.
70068	1-1/2" x 5 Yards	120-J	24	7.2 lbs.
70070	1-1/2" x 10 Yards	120-J	24	9.6 lbs.
70080	1-1/2" x 25 Yards	120-J	20	16.0 lbs.

Yellow Stuff is our best quality Open Coat abrasive cloth with a "J" weight cotton backing. This premium water-resistant abrasive cloth is designed to clean soft metals. The open coat scores better than closed coat cloth as there is no glaze coating over the aluminum oxide. Widely used by the air conditioning/refrigeration trade.

Aluminum Oxide "Brown Stuff" - 120 Grit

Cat. #	Description	Grit Size	Std. Pkg.	Wgt/Pkg.
70125	1-1/2" x 5 Yards	120-J	24	7.2 lbs.
70130	1-1/2" x 10 Yards	120-J	24	9.6 lbs.
70140	1-1/2" x 25 Yards	120-J	20	16.0 lbs.
70150	1-1/2" x 50 Yards	120-J	10	16.0 lbs.

Brown Stuff is a good quality Closed Coat abrasive cloth on a "J" weight cotton backing. Brown in color, water-resistant bonding and flexible backing provides a durable, efficient abrasive for long life. Almost as good as the "Red Stuff".
