

WEDGE-IT™

Multi-Purpose Stability Wedge

- *Dozens of uses on the job site, in the office, home, etc.*
- *Stiff polypropylene is drivable.*
- *Soft rubber-like PVC is easy to trim and resists slipping on tile floors.*
- *100% Corrosion proof.*

Ideal for leveling unsteady closet bowls. Trims easily with a utility knife.

Stack in the same or opposite direction to fill any gap.

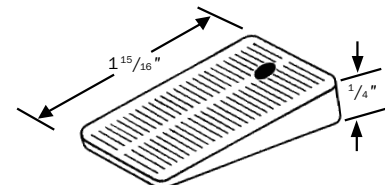

**Packaged
for
Convenience**

Display Jar for Counter Areas.
