# Pick-Up Talon™

## Isolating Drive Hook

### Fast Installations

Pick-Up Talons snap and roll easily onto CTS tubing. They stay on the tube during installation.

### Matches CPVC

Ivory colored models look great for CPVC installations.

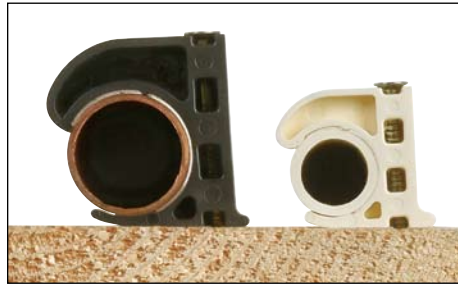

### Nail or Screws to Fit Your Need

Ring-shank nails provide a strong hold. Nails are available with all sizes of black and ivory models. Screws are perfect for metal studs. They are available with 1/2" and 3/4" black models.
