

Drain Cleaners and Openers

Granular Drain Cleaner/Opener

professional strength

Granular Drain Cleaner/Opener cleans drains and removes sewer line obstructions. Regular use prevents slow drains, clogs and buildups. Starts to work on contact—removes even the toughest clogs. Non-acid formula will not harm metal or plastic pipes or septic systems. Deodorizes drain odors.

Product	Item Number	U.P.C. Number	Case Pack	Carton Wt. (Lbs.)
1 lb. net wt. (16 oz.) in plastic jar	039700	078864 397000	12	14

Enzyme Cleaners

in liquid or granular form

Enzyme Cleaners contain safe, scientifically formulated strains of live bacteria and enzymes that will clean sinks, drain lines, septic systems, RV holding tanks, porta-toilets, garbage disposals and grease traps of organic matter such as grease, food particles and waste. They actually digest most clogs and keep pipes clean and deodorized. Both contain the maximum strains and counts of bacteria available today. Works great as a septic tank activator.

liquid enzyme cleaner				
32 fl. oz. (1 quart) in plastic bottle	039600	078864 396003	12	30
64 fl. oz. (1/2 gallon) in plastic bottle	039625	078864 396256	6	27
