

Deburring Tool

Our Deburring tool is the fast and easy way to smooth edges of pipe and tubing

Remove rough or irregular I.D. edges on plastic, ferrous, and non-ferrous metals with Mill-Rose deburring tools. Fixed-blade "pencil" deburring tool clips on shirt pockets and fits anywhere. Standard deburring tool features hand-contoured handle and snap-on cap for convenient storage of replacement Deburring Toolblades.

Blades on pencil style tools can not be replaced .
