

FRITZ HANSEN

FRED™ THE ART OF LOUNGING

Elegant from every angle,
the Fred™ lounge chair is designed
for relaxation and socialising.

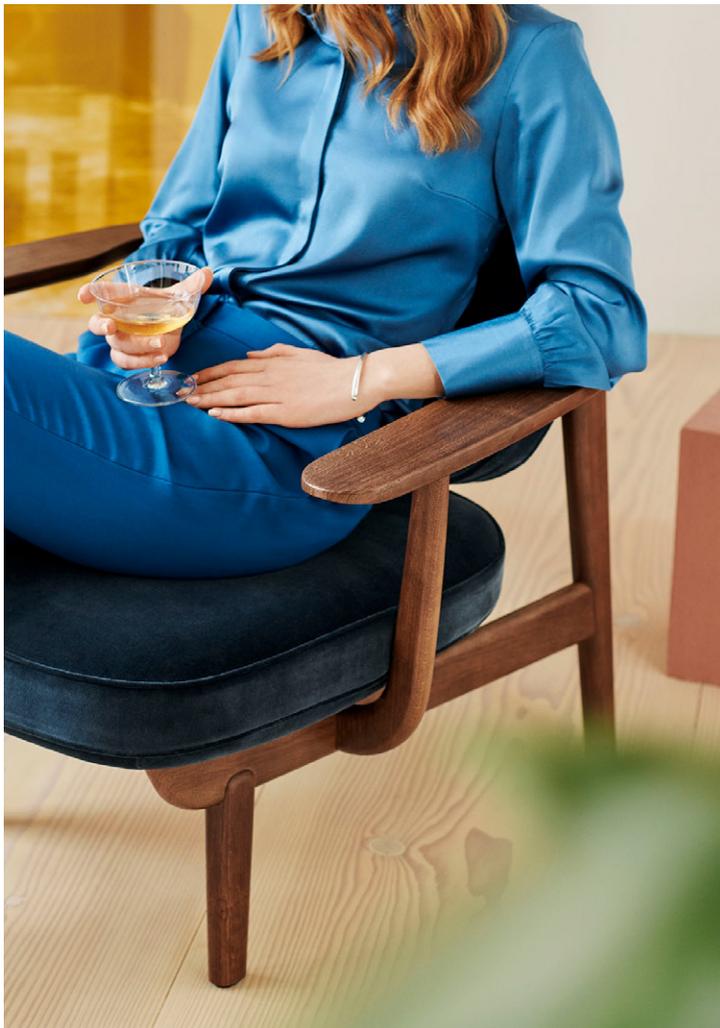

THE ART OF LOUNGING

A purely modern lounge chair

Fred™ has a low, open silhouette that is elegant from every angle. Cushions float within the design, adding lightness and intrigue. The sculpted frame is crafted from wood that has been digitally cut, then finished and assembled by hand.

Wide, flat armrests and upright seating help the neck, arms and hands relax, making long periods of socialising or reading completely comfortable.

Fred™ works in home, office and hospitality settings.
