

**Product:** [D4K-AIR](#) 

DRAGON MACH4x00 fan unit; hot-swappable; 5 load sharing inbuilt fans

## Product Description

DRAGON MACH4x00 fan unit; hot-swappable; 5 load sharing inbuilt fans

## Technical Specifications

### Product description

|              |                                                                      |
|--------------|----------------------------------------------------------------------|
| Type:        | D4K-AIR                                                              |
| Description: | DRAGON MACH4x00 fan unit; hot-swappable; 5 load sharing inbuilt fans |
| Part Number: | 942157001                                                            |

### Power requirements

|                    |                                              |
|--------------------|----------------------------------------------|
| Operating Voltage: | power supply via the backplane of the switch |
| Power consumption: | 20 W                                         |

### Software

|              |                                           |
|--------------|-------------------------------------------|
| Diagnostics: | LEDs (fans operational) at switch chassis |
|--------------|-------------------------------------------|

### Ambient conditions

|                                     |            |
|-------------------------------------|------------|
| Operating temperature:              | 0-+60 °C   |
| Storage/transport temperature:      | -40-+70 °C |
| Relative humidity (non-condensing): | 10-95 %    |

### Mechanical construction

|                     |                        |
|---------------------|------------------------|
| Dimensions (WxHxD): | 55 mm x 410 mm x 85 mm |
| Weight:             | 0.75                   |
| Mounting:           | Plug-in device         |

### Approvals

|                                         |                              |
|-----------------------------------------|------------------------------|
| Safety of industrial control equipment: | cUL61010-1/-2-201, EN60950-1 |
|-----------------------------------------|------------------------------|

### Scope of delivery and accessories

|                    |        |
|--------------------|--------|
| Scope of delivery: | Device |
|--------------------|--------|

### Further Instructions

|                        |                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------|
