KEY FEATURES

UNIVERSAL COMPATIBILITY

Engineered for use in Floorguard epoxies, polyurea, and polyaspartic resins.

HIGH COLOR STRENGTH

Concentrated pigments provide excellent hiding power and rich, long-lasting color.

EXCELLENT STABILITY

Fade-resistant and stable for long-term performance in demanding environments.

CONVENIENT FIELD PACKS

Pre-measured, easy-to-use packets ensure accurate dosing and reduce waste.

EASY TO MIX

Disperses quickly and evenly for consistent color throughout the coating.

PROFESSIONAL RESULTS

Delivers beautiful, uniform color for decorative, commercial, and industrial applications.

VERSATILE APPLICATIONS

Ideal for decorative flakes, solid color systems, stripes, borders, and more.

TIME SAVING

Pre-measured packs simplify the process and speed up installation.

COST-EFFECTIVE

Accurate dosing reduces material waste and helps control project costs.

TRUSTED QUALITY

Backed by Floorguard Products' commitment to innovation and performance.

MADE IN THE USA

Proudly manufactured in the USA to ensure consistent quality.
