

HyperREZ UV

100% SOLIDS CLEAR EPOXY

DURABLE. UV RESISTANT. BUILT TO LAST.

UV RESISTANT

Outstanding UV protection resists yellowing and degradation.

HIGH GLOSS FINISH

Delivers a smooth, high gloss finish with excellent workability.

CHEMICAL RESISTANT

Resists a wide range of chemicals for demanding environments.

EXTENDED WORKING TIME

Optimized formula for longer working times and ease of application.

PRODUCT OVERVIEW

HyperREZ UV is a 100% solids epoxy resin that is exceptionally durable, highly resistant to wear, and features a high gloss finish along with chemical resistance and outstanding UV protection. It is available in a clear form and can be pigmented on-site using E-Poly universal colorants.

HyperREZ UV is suitable for applications requiring a high build, UV resistant protective floor coating. Additionally, it emits no solvent odors, making it safe for use in occupied spaces. It can also serve as a topcoat in areas that are exposed to minimal UV light. The product delivers a robust, smooth, and high gloss finish with excellent working times ideal as basecoat and buildcoat in clear broadcast systems such as Platinum Quartz.

IDEAL FOR:

INDUSTRIAL FACILITIES

RETAIL & COMMERCIAL

OCCUPIED SPACES

BROADCAST FLOOR SYSTEMS

KEY FEATURES

LOW VOC FORMULATION

Low odor, user-friendly, and compliant.

LOW ODOR

No solvent odors—safe for use in occupied spaces.

HIGH UV RESISTANCE

Excellent resistance to UV light and weathering.

EXTENDED WORKING TIMES

Longer pot life for easier application and placement.

LOW VISCOSITY & GREAT FLOWABILITY

Optimized flow for smooth, even coverage.

HIGH-BUILD & HIGH STRENGTH

Builds thick, durable coatings that stand up to heavy use.

HIGH GLOSS REFLECTIVE FINISH

Produces a brilliant, high gloss, easy-to-clean surface.

CHEMICAL & IMPACT RESISTANT

Resists a wide range of chemicals and physical impact.

GOOD WEAR RESISTANCE

Durable protection that resists abrasion and wear.

BROADCAST COMPATIBLE

Ideal for use with decorative quartz and aggregate systems.

CRYSTAL CLEAR CLARITY

Enhances the beauty of broadcast systems with a clear, high gloss finish.

SUPERIOR UV STABILITY

Resists yellowing and degradation for long-lasting beauty.

DEPENDABLE PERFORMANCE

Engineered for demanding environments and heavy traffic.

PROFESSIONAL RESULTS

Easy to apply with excellent flow, leveling, and finish quality.
