

# POLYUREA BASECOAT

HIGH-PERFORMANCE. ALL-WEATHER. BUILT TO LAST.

## TOUGH & DURABLE

Superior impact, abrasion, and chemical resistance.

## ALL-WEATHER PERFORMANCE

Performs in extreme cold, heat, and humidity.

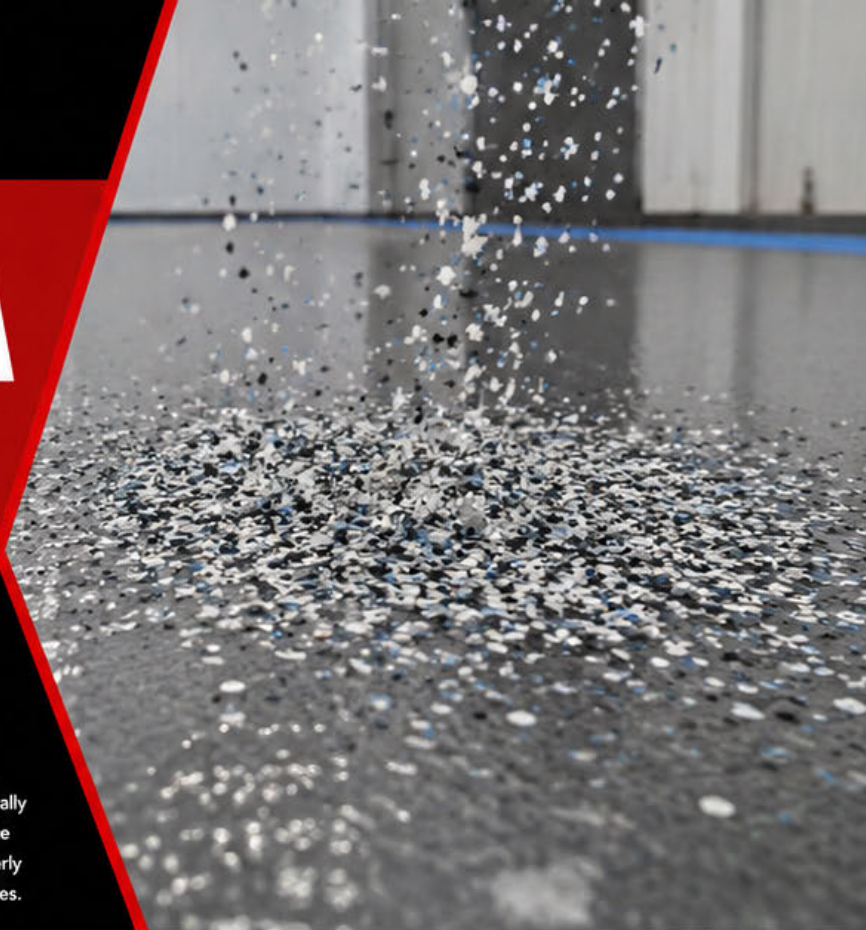

## FAST RETURN TO SERVICE

Rapid cure times minimize downtime and keep projects on schedule.

## STRONG ADHESION

Bonds exceptionally well to concrete and other properly prepared surfaces.

## PRODUCT OVERVIEW

Polyurea Basecoat is a high-performance, all-weather coating engineered for durability, flexibility, and superior adhesion. Offered in three cure speeds—Slow, Medium, and Fast—it gives applicators the ability to adjust to changing temperatures, humidity, and project conditions for optimal performance.

This versatility ensures smooth application, consistent curing, and reliable results in cold, moderate, or hot environments. Designed for rapid return to service and long-term protection, Polyurea Basecoat provides a tough, seamless foundation ideal for a wide range of protective coating applications.

Can be field pigmented using E-Poly universal colorants.

## IDEAL FOR:

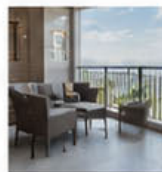

GARAGES

INDUSTRIAL FACILITIES

COMMERCIAL SPACES

BALCONIES & DECKS

## KEY FEATURES

### LOW VOC FORMULATION

Low odor, user-friendly, and compliant.

### LOW ODOR

Minimal odor for a better working environment.

### MINIMAL DOWNTIME

Fast return to service with rapid cure times.

### FAST DRY TIME

Quick drying for efficient project completion.

### WARM-TEMP WORKABILITY & CURE

Optimized for consistent performance in warm conditions.

### SUPERIOR IMPACT RESISTANCE

Withstands heavy impacts and daily wear.

### SUPERIOR TENSILE & TEAR STRENGTH

Resists cracking, shrinkage, and surface failure.

### EXCELLENT ELONGATION

Maintains flexibility under stress and temperature changes.

### STRONG ADHESION

Bonds aggressively to concrete and various substrates.

### BROADCAST COMPATIBLE

Designed for use with decorative flakes and aggregates.

### ALL-WEATHER DURABILITY

Performs in extreme cold, heat, and humidity.

### CHEMICAL RESISTANT

Resists a wide range of chemicals and spills.

### LONG-TERM PROTECTION

Provides a tough, seamless barrier that lasts.

### VERSATILE SOLUTION

Ideal for a wide range of coating system applications.
