Outerwear

During the winter months, a student may wear her winter coat to school and when moving from building to building; however, only Harpeth Hall outerwear may be worn inside the buildings.

Outerwear includes Harpeth Hall-branded sweatshirts, jackets, and the Lands' End green puffy coat.

Guidelines

- Shorts may be worn under uniform skirts but must not show below the skirt hem.
- Hats may not be worn during the school day. The exceptions to this rule are head coverings for religious reasons or designated hat days for seniors.
- Uniforms must be clean, wrinkle-free, and without writing.
- Uniform shirts must be worn under sweatshirts and sweaters.
- Shirt tails on polo shirts may be worn outside the skirt but must be longer than undershirts and shorter than the skirt. Button-down dress uniform shirts must be tucked in at all times.
- Undershirt sleeves must be shorter than uniform shirt sleeves, and only solid white undershirts without visible writing may be worn. Bras must not be visible through the uniform shirt.
- Black leggings or tights under skirts; leggings must be tight around the ankle and not capri length.
- T-shirts are only allowed with the uniform skirt on designated spirit club or college T-shirt days.
- The Harpeth Hall lanyard and security access ID card are part of the uniform and must be worn visibly around the neck at all times.

Note: the uniform pants and green puffy jacket are available through Lands' End, while everything else can be purchased through FlynnO'Hara Uniforms. The uniform belt is available for purchase in the Harpeth Hall Spirit Store.
