

SJS Uniform Requirements

The student's uniform and general appearance is to be clean and neat:

- Students appear well kept, with shirts tucked in, pants worn at the waist, and shoes tied.
- A belt is part of the 3-8th girls and boys' uniforms and must be worn at all times with pants/shorts.
- Shirt sleeves and skirts may not be rolled at any time.
- The fit and length of shorts, skirts, kilts and jumpers should be generously sized and no more than 4 inches above the middle of the knee.
- Colored undergarments or tee shirts with logos may not be worn under blouses or shirts.

The administration reserves the right to make individual judgments as to the appropriateness of dress and grooming.

It is highly recommended that each uniform piece--especially the jacket, fleece, and sweater--is labeled with the student's name, as other students wear the exact same item of clothing.
