

WARRAMATE EST 1970

2025 PINOT NOIR

100% PINOT NOIR

ALC: 13.0%

VINES

Drawn from selected blocks across the vineyard and blended from Pommard, 943, Abel and MV6 clones. Each contributes its own character, bringing together vibrant fruit, aromatic lift, texture and structure.

WINEMAKING

Fermented in small batches with varying levels of whole bunch inclusion, from none to 100%, adding layers and lift to the final wine. Hand plunged throughout fermentation before gentle pressing and gravity transfer to a combination of 300L hogsheads and 228L barriques. Malolactic fermentation was completed before winter in the cool underground cellar.

WINE

Heady aromas of cherry, blackberry, vanilla and violet florals lead into a glossy, silky palate. Generous fruit is balanced by savoury complexity from whole bunch inclusion, helping to temper the richness while adding lift and structure. Fine but persistent tannins provide shape and length, carrying the wine through a long, balanced finish.

CELLARING

Made to be enjoyed young and bright, this Pinot Noir is drinking beautifully now and will continue to evolve with careful cellaring for up to five years.

ACCOLADES

Gold Medal - Yarra Valley Wine Show 2026
96 Points - Philip Rich, Halliday Wine Companion
93 Points - Campbell Mattinson, The Wine Front
91 Points - Huon Hooke, The Real Review
