

WARRAMATE EST 1970

2024 SYRAH

100% SYRAH

ALC: 13.5%

VINES

Drawn from selected blocks across the vineyard and blended from Old Vine, 1654, Best's Old Vine and Tahbilk clones. Together they contribute vibrant fruit, spice, structure and aromatic lift.

WINEMAKING

Whole berry fermentation with a portion of whole bunches contributes a succulent fruit profile, aromatic lift and fine tannin structure. Hand plunging throughout fermentation allows for the gentle extraction of colour, flavour and texture. The wine was matured for 15 months in French oak, including 10% new oak, providing subtle complexity while allowing the fruit to remain the focus.

WINE

Berries and satsuma plum take centre stage, delivering a glossy, juicy palate with vibrant fruit at its core. Generosity is balanced by savoury notes of leather, brown spice and subtle whole bunch complexity. Fine tannins weave gently through the wine, while a whisper of stalk influence adds freshness, structure and intrigue. Persistent and layered, the finish carries both fruit purity and savoury detail.

CELLARING

A fresh and immediate expression, made to be enjoyed now while its fruit is vibrant and bright. Careful cellaring for up to five years will reveal additional complexity.

ACCOLADES

Gold Medal - Yarra Valley Wine Show 2026
95 Points - Philip Rich, Halliday Wine Companion
