

Cover Lounge Chair

“The Cover Lounge Chair is born from a desire to bring modern perspectives to the archetypal wooden chair. I wanted to give the design a crisp and contemporary expression through its thin plywood material, paired with the solid and grounded sentiment of its frame and base in solid wood. With the details of its curved backrest that folds gently around the back legs and its warm materiality, the Cover Lounge Chair translates the ideas of Scandinavian craftsmanship into a modern design language.”

Cleaning & Care

Clean with a moist cloth first and wipe off excess liquid with a dry cloth.

Upholstered versions:

Textile: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean, warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water. We highly recommend that you go to kvadrat.dk for further cleaning and maintenance instructions for your chosen textile, as the cleaning methods may vary from one textile to another.

Imitation Leather: Clean with lukewarm PH-neutral, soapy water and a soft cloth or soft brush. Do not use solvents or chemical cleaners, but cleaning can be done with alcohol-based cleaners. Finally, wipe with a damp cloth afterward.

Leather:

As a natural material, leather requires looking after. If you care for the leather correctly, it will become even more beautiful over time.

Refine Leather, Easy Leather, and Endure Leather: Clean leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products. Visit ca-mo.com for further information on cleaning leather.

Allure and Grace Leather: Only vacuum clean with a soft brush. Never use soap or water; otherwise, the velvety look and feel will disappear. Do not apply leather grease or soak the leather. Avoid chemical products, such as saddle soap, leather cleaners, or household products.
