Tripod HM8

Hvidt & Mølgaard

1953

Please read these instructions carefully and retain them for future reference to ensure that the product is used correctly. For your own safety, please study each step of this instruction manual first. &Tradition is not responsible for any faults or damages caused by not following these instructions correctly. Do not modify this product in any way.

A

Content

A Lamp

Tools needed

- Bulb type E26

Safety precautions

- Dispose of plastic bag from packaging and do not allow children to play with it.
- Keep product well out of children's reach.
- The lamp is only intended for interior use.
- Consult a professionally qualified electrician if in any doubt.
- Do not place the cable within reach of small children or anywhere there is a risk of falling over it.
- If the external cable or cord of this lamp is damaged, it must be replaced by the manufacture or a similar qualified person in order to avoid a hazard.

Cleaning instructions

- Wipe surface of the shade with a soft, damp sponge or cloth, and wipe immediately with a dry cloth.
- Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes.

For indoor use only
E26 maximum 60W
Bulb not included

Step 1

The lamp is delivered fully assembled. The shade is a fixed installment and cannot be adjusted. Insert an E27 bulb into the socket.

Step 2

Insert the plug into a wall socket and use the switch on the cord to turn the lamp on and off.
